Bulletin 249

INDIANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION
DISCLAIMER

IC 27-8-8-18 requires the Indiana Life and Health Insurance Guaranty Association (ILHIGA) to prepare a summary document for the Commissioner's approval. The summary document must describe the general purposes and current limitations of IC 27-8-8 and contain the specific information required by IC 27-8-8-18(c). Since the issuance of Bulletin 231, the ILHIGA has updated the Notice of Protection Provided by the ILHIGA. Therefore, it has filed a new summary document, which is attached to this bulletin, incorporating the updates. This bulletin replaces Bulletin 231, which is hereby withdrawn.

Member insurers may not deliver a policy or contract to a policy or contract owner unless the summary document is delivered to the policy or contract owner at the time of delivery of the policy or contract. The summary document also must be available upon request by a policy or contract owner. The distribution, delivery, or contents or interpretation of the summary document does not guarantee that the policy or contract owner of the policy or contract is covered in the event of the impairment or insolvency of a member insurer. ILHIGA member insurers may begin using the attached summary document as soon as reasonably practical.

**NOTICE OF PROTECTION PROVIDED BY THE
INDIANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This Notice provides a brief summary of the Indiana Life and Health Insurance Guaranty Association ("ILHIGA") and the protection it provides for policyholders. This safety net was created under Indiana law, which determines who and what is covered and the amounts of coverage.

ILHIGA was established to provide protection to policyholders in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, ILHIGA will typically arrange to continue coverage and pay claims, in accordance with Indiana law, with funding from assessments paid by other insurance companies. (For the purposes of this Notice, the terms "insurance company" and "insurer" mean and include health maintenance organizations ("HMOs")).

Basic Protections Currently Provided by ILHIGA

Generally, an individual is covered by ILHIGA if the insurer was a member of ILHIGA and the individual lives in Indiana at the time the insurer is ordered into liquidation with a finding of insolvency. The coverage limits below apply only for companies placed in rehabilitation or liquidation on or after July 1, 2018. The benefits that ILHIGA is obligated to cover are not to exceed the lesser of (a) the contractual obligations for which the member insurer is liable or would have been liable if the member insurer were not an insolvent insurer, or (b) the limits indicated below:

Life Insurance

- \$300,000 in death benefits
- \$100,000 in net cash surrender or net cash withdrawal values

Health Insurance

- \$500,000 for health plan benefits (see definition below)
- \$300,000 in disability income and long-term care insurance benefits
- \$100,000 in other types of health insurance benefits

Annuities

- \$250,000 in present value of annuity benefits (including net cash surrender and net cash withdrawal values)

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000. Special rules may apply with regard to health benefit plans and covered unallocated annuities.

"Health benefit plan" is defined in IC 27-8-8-2(o), and generally includes hospital or medical expense policies, certificates, HMO subscriber contracts or certificates or other similar health contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as accident-only, credit, dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance and long-term care insurance.

The protections listed above apply only to the extent that benefits are payable under covered policy(s). In no event will the ILHIGA provide benefits greater than the contractual obligations in the life, annuity or health insurance policy or contract. The statutory limits on ILHIGA coverage

have changed over the years and coverage in prior years may not be the same as that set forth in this Notice.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or variable annuity contract.

Benefits provided by a long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity to which it relates.
